

The Deputy Director of Central Intelligence

Washington, D.C. 20505

19 April 1984

NOTE FOR: Director of Personnel

FROM:

EA/DDCI

25X1

The DDCI thinks that your people did a good job of covering the waterfront to come up with these options. He would be willing to go to bat to try to get some additional compensation for the 39 Staff employees. He would like you, in coordination with OLL, to touch base with Latimer, Simmons and then, if appropriate, Susan Shekmar and Jim Van Wagenen, to see if they would reconsider providing these 39 people the 9.6 differential rather than discriminating against such a small group. If they will not buy that, he would like you to see if they would be willing to go along with brevit step increases.
